November 2023

Dear Parent/Carer

I hope this letter finds you well.

It is with great delight that I am writing to invite you to our Year 10 parents' evening on **Thursday 7th December** between 3:30 and 6:40pm. The evening will allow you to meet, face to face, with your son/daughter's subject teachers to discuss their progress in Year 10 so far and their next steps in preparation for their exams next year.

The evening will take place in the main school building, so upon arrival to school please sign in at the school reception. Parking will be available on the top court area. As it may have been some time since you came on to the school site there will be students available to take you on a tour of the school if you wish.

You will need to book individual appointments with each of your son/daughter's class teachers. To do this we will be using our online system which allows you to log in and make the appointments at a time that suits you. When booking your appointments please take the following into consideration:

- Please use the maps included with this letter, there are two, one showing the staff in the main hall and one showing the classrooms that are in use across the main school building, the teacher location sheet shows where each member of staff will be located. When booking your appointments please leave time to move from one area to another. Please note, that to assist with this, we will not be hosting any appointments in St. Paul's.
- When booking a Science appointment, you will see that there is only one of your son/daughter's teachers available. This teacher will give feedback on all three areas of Science
- In terms of core PE, Mrs Sneath and Mr Russell are not available on the evening so if you have questions around core PE then please email Mrs Sneath directly at gsneath@sbch.org.uk and for Mr Russell's group please email Mr Tattershall, the Curriculum Leader for PE, at stattershall@sbch.org.uk

To access the system, please visit our school website (www.sbch.org.uk) and select "Menu" then "Parents evening" which is under the Progress section. This will take you to a short guide named "Booking Appointment Guide" to aid you using the programme if needed and the Parents' Evening Booking System.

You will be asked for the following information when you log in: your name, email address and phone number; your child's name and date of birth. You do not require a password. The booking system will be open from today, Wednesday 29th November and will close at 12 noon on Tuesday 5th December. Please be aware that bookings are on a first come, first served basis.

If you have any problems booking an appointment, please don't hesitate to call reception and they will be able to help. If you are unable to attend then please complete the slip attached and return this to reception.

We look forward to discussing and celebrating your child's achievements with you.

Yours sincerely

J Collins

Mrs J Collins – Vice Principal

Please return to Reception by **9.00am Tuesday 5th December.**

Y10 Parents Evening – Thursday 7th December 2023.

If you **cannot** attend the Y10 parents' evening, please sign below.
